

Die Roman tragende Haut

Von Geburt
und Sterben

Silvia Boadella

What have birth and death in common?

The author tells how a family deals with extreme experiences. "The Holding Membrane" invites the reader on a journey into the depths of our existence. The novel is full of suspense, courage and hope.

"The book provides enriching insights into experiences at the limits of existence and communicates to the reader in the clear view of Kantian enlightenment".

Urs Schöttli, Author, New Journal of Zürich NZZ

Silvia Boadella Ph.D. Born 1948.
Studied philosophy, literature,
psychology and history of art.
She works today as a trainer in
psychotherapy and leads the
International Institute for
Biosynthesis in Switzerland.
